

## REWIRE PERFORMANCE COACHING™ PARTICIPANT AGREEMENT

By signing where indicated below, you irrevocably agree that:

If DASH Enterprises, Inc (the "Company" or "we/us") approves your application and accepts you into the Rewire Performance Coaching™ Program (the "Program"), then this Rewire Performance Coaching™ Agreement ("Agreement") automatically becomes a binding contract between you ("Participant") and Company and applies to your participation in the Program. You acknowledge that you have read, agree to and accept all of the terms and conditions contained in this Agreement. We may amend this Agreement at any time by sending you a revised version at the address you provided.

By completing the Application and signing, you authorize the Company to charge your credit or debit card, or cash your check, as indicated above, as payment for your acceptance in the Program, if the Company approves your application and accepts you into the Program. Furthermore, you agree that if you are accepted into the Program, you are responsible for full payment of fees for the entire 12-month course and license of the Program, regardless of whether you attend, complete or use the Program, and regardless of whether you have selected a lump sum or monthly payment plan. All monthly payments must be paid on a timely basis. The purchase agreement is at the current rate as indicated. If you choose to pay in full directly to the Company, there is a discounted rate. Financing is available. All payments are final and Company will not refund any monies collected unless the payment was made in error or without authorization, if the Participant gives notice of a dispute in writing and requests a refund within 7 days.

We are committed to providing all Program Participants with a positive Program experience. By signing below, you agree that the Company may, at its sole discretion, terminate this agreement, and limit, suspend, or terminate your participation in the Program without refund or forgiveness of remaining monthly payments if you become disruptive or difficult to work with, if you fail to follow the Program guidelines, or if you impair the participation of Program instructors or other participants in the Program.

We respect your privacy and insist that you respect the privacy of fellow Program participants and the Company. By signing below, you agree not to violate the publicity or privacy rights of any Program participant. You acknowledge that Company owns certain proprietary and confidential information, including but not limited to ideas, plans, materials, copyrights, trademarks, patents and trade secrets (collectively, "Confidential Information") and that other Program participants may also own such Confidential Information, and by signing, you agree (1) not to infringe any Program participant's or the Company's Confidential Information or other intellectual property rights, (2) that any Confidential Information shared by Program participants belongs

solely and exclusively to the participant who discloses it and you agree not to disclose such information to any other person or use it in any manner other than in discussion with other Program participants during Program sessions, (3) that any Confidential Information shared by Company or Company's representatives belongs solely and exclusively to Company, and you agree not to disclose such information to any other person or use it in any manner other than in discussion with other Program participants during Program sessions, or pursuant to the terms of any licensing agreement duly executed between you and Company, and (4) that all materials and information provided to you by the Company may only be used by you as authorized by the Company, and the reproduction, distribution and sale of Company materials by anyone but the Company is strictly prohibited. By signing below, you agree that if you violate, or display any likelihood of violating, any of your agreements contained in this paragraph, the Company and/or the other Program participant(s) will be entitled to injunctive relief to prohibit any such violations.

We have made every effort to accurately represent the Program and its potential. Any forward-looking statements by Company are simply Company's expectation or forecast for future potential, and are simply our opinion, and are not guarantees or promises for actual performance. The definition of "Success" is highly personal and individual to each Participant and your results are dependent upon several factors including your skill, knowledge, ability, dedication, business savvy, and financial situation. Because these factors differ according to individuals, Company does not and cannot guarantee your results, success, income level, or ability to earn revenue. Past results by other individuals is not an indication of your ability to attain any particular result. Company specifically does not guarantee or imply that you will get rich or will make any money at all. Company's recommendations or products may have unknown risks involved and are not suitable for everyone. Making decisions based on any information presented by Company should be done only with the knowledge that you could make no money at all. By signing below, you have represented to the Company that payment of your Program membership fees will not place a significant financial burden on you or your family.
